Good morning, Joe.

It is my understanding that you replaced Simon Walbruch at the Longview Switching Company, so I am passing this on to you.

This is a reminder that Longview Switching Co. must notify the Utilities and Transportation Commission within 60 days of project completion and no later than October 2, 2024. A simple email referring to Docket TR-230728 sent to rail@utc.wa.gov will suffice. The relative UTC order is attached. Please reach out if you have any questions.

Thank you.

Good morning, Simon.

I'm following up on order TR-230728 (attached) to modify yield signs to stop signs on International Way USDOT# 914213L. Has this been completed, and can you please provide pictures? Thank you.
