Dear Commissioners,

I am concerned about climate change and the pollution caused by burning fossil fuels. Please ask PSE to close all Colstrip plants by 2025 and replace them with 100% renewable energy. Thank you,

Sincerely,
Michelle Ramsden , 206-406-3723, PO Box 296, Vashon, WA 98070, and I do not want my PSE payment to more go to more fossil fuels when there are better ways.
