Thank you, Judge Pearson.

I think that will work out for my schedule. However, I'll need a letter/motion for the record (it can be brief) stating why Mr. Mason-West is unable to appear in person on November 15th.

In any event, November 23rd should be fine.

Kara and Paige: will one of you please let the court reporter know that next Tuesday's hearing is going to be rescheduled?

Thank you,

Subject: Docket TE-161071

Dear Judge Pearson,

Antwan Mason-West, the Respondent in Docket Number TE-161071, just called in. Mr. Mason-West stated that his son, who accepted service at Mr. Mason-West's Washington address, lost the summons and complaint and therefore did not get it to Mr. Mason-West in a timely manner. Mr. Mason-West says that he cannot personally attend the hearing, which is currently set for November 15th. When asked, Mr. Mason-West expressed an ability to attend a hearing held on any date between November 23-25 or November 29-December 2nd. He also stated that he could appear telephonically on the 15th.

Staff prefers to have Mr. Mason-West appear in person and is able to have its witnesses present for a hearing in the morning on November 23rd, if that works with your schedule. If not, I will try to get Staff to work their calendars around a date that is convenient for you.

Thanks,
Jeff
