Subject: UE- 210402

Judge Howard,

On October 8, 2021, I filed a letter to the docket informing the Commission that Staff, PacifiCorp, Alliance of Western Energy Consumers ("AWEC"), The Energy Project, and Walmart Inc. reached a full multiparty settlement in principal pursuant to WAC 480-07-740(2)(c).

Today AWEC informed the parties that it has withdrawn from its agreement with the other settling parties and that it now intends to oppose the full multiparty settlement. Because AWEC is now a party opposed to a settlement, it is afforded the enumerated rights within WAC 480-07-740(3)(c).

The remaining settling parties still intend to file the full multiparty settlement stipulation and supporting joint testimony on October 28, 2021. In light of this recent development, would the Commission like the parties to take any additional actions?

Thank you,

Joe Dallas
