SPECIAL CONDITIONS:

On August 31, 2021 the Company submitted an annual Schedule 141X filing as established in Order 10 (Order 8, p. 202, ¶763 as modified by Order 10, p. 7, ¶22) in Dockets UE-190529 and UG-190530 (consolidated). This filing does not currently propose a change in the electric revenue requirement nor does it propose to change any Schedule 141X rates. It is intended to comply with the Final Orders by making an annual tariff filing no later than September 1st, while recognizing that the Commission intends to amend the Final Orders to comply with the Private Letter Ruling issued by the Internal Revenue Service. Once the Commission Amends the Final Orders to comply with the IRS's Private Letter Ruling, another tariff filing can be made consistent with the corrective actions outlined in the IRS's Private Letter Ruling.
