On February 25, 2004, the Commission awarded a Grade Crossing Protective Fund Grant of up to \$6,500 to Yakima County in Docket TR-021698. Use of the funds was limited to upgrading train detection circuitry at the SR-97 grade crossing in Yakima County.

On May 23, 2005, Yakima County submitted a request for reimbursement for work pursuant to the Commission Order in TR-021698. Commission Staff verified that the project was completed according to the conditions of the order approving the grant.

The attached expenditure summary indicates that the total cost of the installations is \$8,523.20. The grant in TR-0201698 covers 60% of the total up to \$6,500. Accordingly, Yakima County should be reimbursed a total amount of \$5,113.92.
