Dear Commission Staff:

This letter concerns an adjustment to our route during the closure of the Hood Canal Bridge. The bridge is scheduled to close May 1, 2009 and last up to six weeks. We will begin our route deviation May 1, 2009, and return to our normal schedule as soon as the bridge re-opens.

Our normal route crosses the Hood Canal Bridge and then takes the Kingston-Edmonds ferry en route to Seattle via Interstate 5. Our adjusted route during the bridge closure will take the Port Townsend-Keystone ferry, and the Clinton-Mukilteo ferry, en route to Seattle via Interstate 5.

Olympic Bus Lines will not be picking up any passengers from locations that are not currently within our authority.

Sincerely,

Jack Heckman
President
Olympic Bus Lines
