**NOTICE GRANTING REQUEST FOR  
EXTENSION OF TIME TO FILE ANSWER  
(Answer due Wednesday, January 4, 2006)**

Re: Norse Home, Complainant v. AT&T Communications of the Pacific  
Northwest, Inc., Respondent, Docket No. UT-051853

TO ALL PARTIES:

On November 29, 2005, Norse Home filed a formal complaint against AT&T  
Communications of the Pacific Northwest, Inc. (AT&T). WAC 480-07-370.

On December 13, 2005, AT&T filed a motion for an extension of time to file its  
answer, to January 4, 2006. AT&T states it needs the additional time because of  
the delay in receiving the complaint and because of the limited amount of  
resources around the holidays. The commission has not received any objections  
by the parties.

The commission grants AT&T's request for an extension of time. The company's  
answer is due on or before January 4, 2006.

Sincerely,

CAROLE J. WASHBURN  
Executive Secretary
