Dear Secretary:

This is a transmittal letter requesting a change to Item 230 on page 34. This is due to the increase of pass thru disposal fees at the Royal Heights Transfer Site.

The disposal fee at the Royal Heights Transfer Site is currently \$87.56 per ton for compacted and non-compacted, 3<sup>rd</sup> revision, page 34. The proposed disposal fee at the Royal Heights Transfer Site will be \$88.95 per ton for compacted and non-compacted, 4<sup>th</sup> revision, page 34.

A copy of this increase has been sent to our County Commissioners, City of Raymond and South Bend. Our customers affected by this increase will be notified at their next billing of this increase in the disposal fee.

We are also requesting a change to Item 240. We are adding rates for our 60 and 90 gallons. These were left off when we redid our tariff in 12/03.

The enclosed check sheet covers these items and also enclosed are the revised pages. The requested date for these changes to take effect are August 1, 2006.

If you have any further questions, please contact me. Our e-mail address is [pss@willapabay.org](mailto:pss@willapabay.org).

Sincerely yours,

Diane Carter  
Manager
