TO: Vicki Elliott, Assistant Director, Transportation Safety
FROM:  Tina Leipski, Transportation Specialist 2
DATE: May 25, 2007
SUBJECT: Docket TV-070697; Application for Acquisition of Control

Docket TV-070697 is an application for acquisition of control of HG-8016 Bremerton Transfer & Storage Co LTD, by David N. O'Brien.

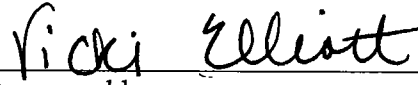

Under WAC 480-15-260, the commission will grant an application for acquisition of control of permanent authority when the ownership of a permit is being transferred to any shareholder, partner, family member, employee or other person familiar with the company's operations and the household goods moving services provided.

David O'Brien will be 100% shareholder. He has been the operations manager for Bremerton Transfer & Storage Co LTD for the past 20 years and has served as the CEO for the past year.

The current permit HG-8016 is in order as follows:

- Records Center has a current annual report on file.
- Financial Services reports the company has paid appropriate regulatory fees.
- The commission does not have any outstanding penalty or other fine against HG-8016.
- Consumer Affairs does not have a pending consumer complaint.
- Transportation Safety does not have a pending compliance action.

I recommend the commission grant the acquisition of control application in Docket TV-070697.
