Re: Request for Approval of First Amendment to Interconnection & Traffic Exchange Agreement between 360networks (USA) inc. and CenturyTel of Washington, Inc.  
Docket No. UT-073053

Dear Mr. Danner:

Please find enclosed an original and two copies of the First Amendment to the Interconnection and Traffic Exchange Agreement ("Amendment") between CenturyTel of Washington, Inc. and 360networks (USA) inc. ("360networks"). This is a fully agreed upon, negotiated Amendment between the two parties to add Appendix D, Directory Services Agreement.

The enclosed Amendment does not discriminate against non-party carriers. It is consistent with the public interest, convenience, and necessity. It is also consistent with applicable state law requirements, including Commission orders regarding interconnection issues.

This filing was also submitted electronically on July 8, 2008. This Amendment is filed late because upon receiving the documents for filing, I discovered that the Appendix D had not been signed by the parties. Therefore the documents were sent back for subsequent execution by both parties. I received the signed document on July 7, 2008. I did notify Kristin Russell via telephone of this issue. If you have any questions, please contact me at (360) 905-6985.

Very truly yours,

Jackie Phillips
