Keith,

Commission staff will agree to a 30 day extension to respond to the probable violations noted in our July 31, 2009 letter. The response should be received no later than October 2, 2009. Please contact me should you have additional questions or concerns.

Dave,

With the length and detail of this report, I'm struggling to finish analyzing the findings, write a response, and then explain it all to Eldon by September 2, 2009. Would Anne and you be agreeable if we asked for another 45 days to complete our report? October 16, 2009.

If yes, I'll prepare a request letter that we'll mail for the docket.

Manager, Safety and Compliance
