Re: Kettle Falls 12" Natural Gas Main – Project Closeout

Dear Mr. Lykken,

Pursuant to Paragraph 10 of Docket PG-081483, Avista is providing you the final requested documents. Please find enclosed a ½ sized copy of the red-lined drawing, and a map of the overall project. The steel gas main was tested on 10/27/09 and gassed up on 11/2/09. Please contact me should you have any further questions related to this project. Thank you and Joe Subsits for your assistance on this project.

Sincerely,

Mike Faulkenberry, PE
Chief Gas Engineer
