Subject: Docket UT-083026, Interconnection Agreement with Qwest Corporation

Dear Mr. Brown:

On May 5, 2008, Qwest Corporation (Qwest) filed a joint request for approval of an Interconnection Agreement (agreement) between Qwest and Access Point, Inc., (Access Point) in Docket UT-083026. The agreement is a delegated item scheduled for approval by July 29, 2008.

The agreement is three days late. The commission reserves the right to investigate, and if appropriate, commence a separate proceeding to complain and enforce against, and penalize, Access Point and/or Qwest for failure to meet the filing requirements of Section 252 of the Telecommunications Act of 1996. WAC 480-07-640 (effective January 1, 2004) requires interconnection agreements be filed for approval within 30 days after the agreement is signed. A similar letter has been sent to Qwest.

For further information, or if you have any questions, please contact Kristen Russell by e-mail krussell@utc.wa.gov or telephone (360) 664-1281.

Sincerely,

Carole J. Washburn
Executive Secretary
