Dear Secretary:

This is a transmittal letter requesting a change to item 230 on page 34. This is due to the decrease of pass thru disposal fees at the Royal Heights Transfer Site due to the decreased cost of fuel.

The disposal fee at the Royal Heights Transfer Site is currently \$103.86 per ton for compacted and non-compacted 7th revision, page 34.

The new rate at the Royal Heights Transfer site will be \$95.70 for compacted and non-compacted, 8th revision, page 34.

This new rate became effective March 1, 2009.

A copy of the decrease rate has been sent to our County Commissioners, City of Long Beach, City of Raymond, City of South Bend, and City of Ilwaco. Our customers affected by this decrease will be notified at their next billing of this decrease in the disposal fee.

We have enclosed the LSN, check sheet, customer letter, and notification of decreased fee at the Royal Heights Transfer site. If you have any further questions, please contact me. Our e-mail address is pss@willapabay.org.

Sincerely yours,

Diane Carter
Manager
