Dear Valued Commercial Customer:

SSC appreciates the opportunity to provide you with garbage and recycling collection services. This notice is to inform you of a proposed increase in the garbage collection and garbage disposal fee portions of your bill.

It is our goal to provide customers with quality collection services at the lowest possible costs. We work hard to keep rates low, but increasing employee hourly wage, health, welfare and pension increases have made it necessary for us to request a rate adjustment. For questions or more information, please contact us at 360-734-3490 or ssc@ssc-inc.com. Thank you for the opportunity to serve you.

Sincerely,

*Paul Razore, President*
