Re: Docket No. UG-091258
Advice No. 2009-15 – Natural Gas Tariff Filing

Dear Mr. Danner:

Pursuant to WAC 480-90-198, Notice Verification and Assistance, Puget Sound Energy (the "Company") is providing this statement that it has posted the above-referenced filing in accordance with WAC 480-90-193(1), Posting of Tariffs for Public Inspection and Review; Web, Telephone, and Mail Access.

The Company also states that notice to the public of the filing referenced above is being completed in accordance with WAC 480-90-195(2), Notice of tariff changes other than increases in recurring charges and restrictions in access to services. For each customer affected by the change to Sheet No. 35 the Company is printing a notice on each customer's bill starting with the September 4, 2009, effective date. The text of the bill-print message is: "Should an earthquake or other event require Puget Sound Energy to request customers stop using natural gas to protect public safety, customers who fail to comply may be charged \$10 per therm for all therms used during the curtailment period." The notice to customers affected by the changes to Sheets 37-C and 37-D is being made in accordance with WAC 480-90-195(2) through a separate mailing to all affected customers. A copy of this mailing is attached.

Please contact Lynn Logen at (425) 462-3872 for additional information. If you have any other questions please contact me at (425) 462-3495.

Very truly yours,

Tom DeBoer
