Enclosed are revisions to Blaine Bay Refuse Inc.'s (BBR or Blaine Bay) Solid Waste Tariff No. 3 for Certificate No. G-145, implementing the company's annual recycling commodity price tracker to return recycling revenues or charges to the customers using the most recent twelve-month period.

The enclosed tariff pages have an issue date of August 11, 2010 with an effective date of October 1, 2010.

The proposed residential tracker decreases the monthly charge per customer from \$0.85 to a charge of \$0.46, a decrease of \$0.39. The proposed multi-family tracker decreases the monthly charge from \$7.42 per customer to a charge of \$.20, a decrease of \$7.22,

The work papers supporting this filing are included in the attachments. The customer notice for residential customers will be printed on the bills that go out in November 2010. Multi-family customers will have the notice on their bills that are being sent out in October 2010. A copy of this transmittal letter is being mailed to the Whatcom County Council, and the Mayor of the City of Blaine, as well as additional parties identified below.
