Re: Summit View Waterworks, LLC
UW-101650

Dear Mr. Finnigan:

On October 1, 2010, Summit View Waterworks, LLC filed with the commission, in Docket UW-101650, a petition for Commission order approving two affiliated interest agreements. The first agreement is a purchase and sale transfer agreement between Candy Mountain Limited Liability Company, Tri-City Development Corporation and Summit View Water Works, LLC. The second agreement is a contract for delivery of irrigation water between Candy Mountain Limited Liability Company and Summit View Water Works, LLC. The company serves about 107 customers on one water system near Kennewick located in Benton County.

On November 24, 2010, the commission received from (company name) a letter requesting withdrawal of this petition. The commission finds in the public interest to permit the withdrawal of the petition filing, without prejudice to the company's right to refile the petition, and closes the above-captioned and docketed matter.

Sincerely,

David W. Danner
Executive Secretary
