**RE: Notice of Intent to Send to Collections, Penalty Assessment No. UT-111099**

Dear Sir or Madam:

As you are aware, on June 28, 2011, the Washington Utilities and Transportation Commission issued a Penalty Assessment against Royal Communications, LLC in the amount of \$200 for violation of WAC 480-120-382, which requires competitively classified telecommunications companies to file an annual report with the commission by May 1 each year. Royal Communications, LLC failed to file its 2010 annual report and has incurred a penalty of \$200. The commission sent Royal Communications, LLC a Second Notice on January 31, 2012, and a Final Notice on March 7, 2012.

The commission has not received the \$200 payment due and owing.

**This is to notify you that the commission intends to forward your outstanding debt to a collection agency for collection.** You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$200 balance.

If you have any questions about this letter or about the company's obligations under commission rules, you may contact Sondra Walsh at (360) 664-1286.

Very truly yours,
