Dear Mr. Danner:

The Washington Movers Conference would like to provide the following comment to the Washington Utilities and Transportation Commission regarding the proposed change to the current Tariff No. 15-C, Docket TV-111855 scheduled for the Open Meeting on December 29, 2011. The change requested applies only to the addition of rates in ITEM 195 – Packing Charges on behalf of the moving industry for the servicing and preparation for shipment of the new front load washing machines.

For clarity, please add the following language in ITEM 195 – PACKING CHARGES:

In paragraph 1 -

**Add** - "For servicing charges at origin and re-servicing charges at destination for Front Load Washing Machines, please see ITEM 62 – APPLIANCE SERVICE."

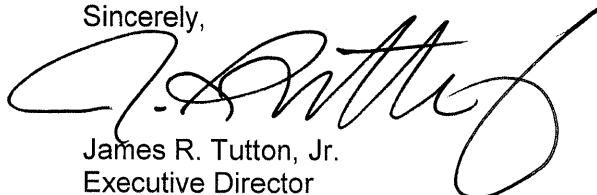

Under "Type of Container", line item "FRONT LOAD WASHING MACHINE KIT –

**Add after the word KIT** – "(Kit cost only.)"

No other known changes needed.

Should you have any questions, please feel free to contact me.

Sincerely,

James R. Tutton, Jr.
