Indicate below, or attach, an explanation of the reason the company requests permission to file the proposed provisions with less than statutory notice and to provide notification to customers on less than required notice.

It is important to settle the charges for this traffic as soon as possible after the December 29, 2011 effective date of the FCC's Oder 11-161. In addition, given the FCC's settlement of this issue effective December 29, 2011, Qwest Corporation views these tariff changes as administrative, because they are specifically permitted by the FCC's Order.
