

June 6, 2012

TO: CenturyLink – Numbering Administrator

is requesting a specific block of DID series to utilize at substations throughout Washington state. The DID's will specifically accommodate safety and emergency calls to 911 and will be used in conjunction with CenturyLink's PS/ALI services.

Given this, is requesting 1000 DID's to all be in the same prefix within the The series of DID's are to be terminated Washington.

We would appreciate having these blocks of numbers prior to August 1, 2012 in order to proceed with our 911 project plan.

Please let us know the availability of this request.

Thank you in advance for your assistance.
