RE: Fuel Surcharge Submittal, for Murrey's Disposal Co., Inc. G-9.

Dear Sirs:

Attached please find the Fuel Surcharge Supplement Number 23 for Murrey's Disposal Co., Inc.G-9.

We respectfully request Commission approval to amend filed Tariff Number 25 with Less Than Statutory Notice to include a Special Surcharge Tariff Supplement to recover the rising cost of fuel. Proposed changes are to add a Special Fuel Surcharge Supplement Number 23 in the amount of 1.37%.

Because Murrey's rates are currently subject to suspension in Order No. 1, TG-111672, In re WUTC v. Murrey's Disposal Co., Inc. (October 2011), for commodity sale revenue share plan review, we respectfully now request that the Commission authorize implementation of this fuel surcharge as an exception to that Order for good cause shown as demonstrated in the filing.

If the Fuel Surcharge Supplement Number 23 is approved, with Less Than Statutory Notice by the Washington Utilities and Transportation Commission the 1.37% fuel surcharge will become effective on August 1, 2012. The customers will receive notification of the 1.37% fuel surcharge on the first billing reflecting the change.

If you have any questions regarding this filing, please contact me at (360) 832-8749 or via email at [irmgardw@wcnx.org](mailto:irmgardw@wcnx.org).

Sincerely,

Irmgard R Wilcox
