RE: Notification of Merger of TCG Oregon, TCG Seattle into Teleport Communications America, LLC

Docket UT-121964

This letter is to advise the Washington Utilities and Transportation Commission ("Commission") that on December 31, 2012, TCG Oregon and TCG Seattle merged into Teleport Communications America, LLC ("TCA") (collectively, "the Companies"), with TCA being the surviving entity. For background, on October 16, 2012, the Companies notified the Commission of the upcoming transaction. On December 17, 2012, TCA filed a petition to be registered as a competitively classified telecommunications company, and on December 20, 2012, requested exemption from WAC 480-121-061(1) which requires an effective date of competitive classification at least thirty days following the filing date. On December 27, 2012, the Commission granted TCA's request for Competitive classification and exemption from WAC 480-121-061(1).

The Companies therefore request that the Commission recognize TCA in lieu of TCG Oregon and TCG Seattle and make the change in its records.

If you have any questions regarding this notice or the underlying transaction, please feel free to contact me at (512) 330-1698.

Very truly yours,
