RE: Rabanco Ltd./SeaTac Disposal Tariff filing

Dear Mr. Danner,

Enclosed please find proposed Tariff No.26 of Rabanco Ltd, Certificate G-12, (dba Allied Waste of Kent, SeaTac Disposal, Rabanco Companies), the purpose of which is a general rate increase request. It has been nearly six years since our last general increase on these rates and in that time we have experienced inflationary pressures on key operating costs and made investments in strategic operating assets. The proposed rates will offset increases in labor, fuel, maintenance, healthcare, yardwaste processing fees, pension and other general operating expenses. If approved by the Commission, the overall revenue requirement increase reflected in this filing would approximate **16.1%** or **\$392,070**.

The proposed rates impact services provided as follows:

	<u>% Revenue Change</u>	<u>\$ Revenue Change</u>	<u>Estimated Rate Impacts</u>
Garbage:	+18.0%	\$ 279,636	17.9% to 19.5%
Recycling:	-2.8%	(\$ 13,282)	-2.8% to -2.5%
Yardwaste:	+32.1%	\$ 124,045	24.8% to 32.1%
Multi-Family Recycling:	6.9%	\$ 1,670	6.9% to 14.1%

As required by Commission rules, a copy of this transmittal letter will be mailed to the King County Chair impacted by this filing. Customer notification letters will be on or before mailed January 28th, 2013. We will file a copy of the customer notices with your office prior to or at the same time as the mailing.

If you have any questions please call me at (253) 239-8858.
