Subject: New Service and Changes to Tariff No. 5 & Time Schedule No. 10
SEATAC SHUTTLE, LLC Certificate Number C-1077

Dear Mr. Danner:

Please create a new Docket. We are submitting pages for new Door-to Door / Shared Ride Service based on your letter of January 18th between Whidbey Island and Bellingham International Airport (BLI) under the provisions of WAC 480-30-301. Seatac Shuttle currently offers only scheduled service on this route under the provisions of WAC 480-30 as suggested by UTC staff that allows the flexibility to meet the ever changing airlines schedules at BLI. This new door to door-shared ride service will increase that flexibility and offer tailored personal service to the public rather than requiring them to be at a designated stop at a set time that is inconsistent with their flight times.

The following documents constitute the filing:

Map of service Zones

Rate Table for Service Zones-Tariff No. 5 Original Page 11

Time Table / Hours of operation of Service-Time Schedule No. 10 revised pages 10 & 11

Changes to Passenger Rules reflecting the addition of the service-Tariff No. 5 revised pages 2, 3 and 4

There is no effect upon our scheduled time table or rates for scheduled service to BLI.

Thank you very much.

Sincerely,

John J. Solin
President
