Re: Temporary Application for Extension of Authority
TC-130493 ; withdrawal

Director King:

From your letter of April 18, 2013, it is very clear that the intended purpose of filing for temporary authority in docket TC-130493 does not exist. It will resolve no issues and not provide for the service sought. I also point out that until prodded by this company no action was forthcoming on this temporary application for authority. Timeliness was of the essence in the possible granting of the temporary request but was not recognized by the agency. No further purpose is served by pursuing this application at this time.

Please withdraw our application for temporary service under the above reference docket as of this date. I certify that I have the authority to make the above request.
