RE: Application to Register as a Telecommunications Provider on behalf of
LDC Group, LLC

Dear Sir or Madam:

Please find attached the Application to Register as a Telecommunications Provider on behalf of LDC Group, LLC ("LDC"). In addition to the application, we are enclosing for filing on LDC's behalf a current balance sheet as the required attachment for the application. We are also submitting a redacted copy of the same financial data. The confidential financial information is also being submitted under separate cover in a sealed envelope.

It is requested that the Company's financial data be handled in accordance with your established procedures pursuant to WAC 480-07-160. LDC states that its financial information is highly "Confidential and Proprietary."

These financial statements contain highly proprietary and confidential commercial and financial information, the disclosure of which to competitors, or potential competitors, would be detrimental to LDC.

The telecommunications industry is highly competitive and it is imperative that public disclosure of confidential information contained in these statements be avoided because of the competitive harm which disclosure of such information would likely cause the company. The information is only available to certain legal and financial associates of LDC.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

Leon Nowalsky
