**RE: Fuel Surcharge – Rejection
Docket TC-131281**

Dear Mr. Asche:

On July 10, 2013, Bremerton-Kitsap Airporter, Inc. (company), filed with the Washington Utilities and Transportation Commission (commission) Fuel Surcharge Supplement No. 124 to Tariff 10. The company requests the commission to approve this filing to become effective July 14, 2013.

I must deny your request because the filing does not contain the required supporting fuel invoice documents. Therefore, the filing is rejected in its entirety.

The current fuel surcharge supplement in Docket TC-131109 expires on July 13, 2013, which means that no fuel surcharge will be in effect after July 13, 2013, unless approved by the commission.

If you have any questions regarding this letter, please contact Brett Shearer at bshearer@utc.wa.gov or (360) 664-1246.

Sincerely,

Sondra Walsh, for
