**RE: Special Fuel Surcharge – Approved with July 25 Effective Date
Docket TC-131348**

Dear Mr. Solin:

On July 22, 2013, SeaTac Shuttle LLC. (Company), filed with the Washington Utilities and Transportation Commission (Commission) Special Fuel Surcharge Supplement No. 112 to Tariff No. 5. The Company requests the Commission approve the filing to become effective July 24, 2013, on less than statutory notice.

I must deny your request because the Company did not allow the proper time for processing of a fuel surcharge filing, as required by Order 02 in Docket No. A-042090, paragraph A(1)(b): "The requested effective date is at least three business days after the date the request is filed." However, rather than reject the filing in its entirety, the commission will deem the filing to request an effective date of July 25, 2013.

If you have any questions regarding this letter, please contact Mike Young at myoung@utc.wa.gov or (360) 664-1155.

Sincerely,

Steven V. King
Acting Executive Director and Secretary
