CUSTOMER NOTICE

October 9, 2013

Recent rules changes implemented by the Washington Utilities and Transportation Commission allow transportation companies to offer flexible fares on regulated services based on currently filed and approved fixed rates. The rule changes allow for a maximum increase of 25% over current fares and the lowest fares at or below the maximum fares. Special Fuel Sur-charges will no longer be assessed after November 11, 2013.

Bremerton-Kitsap Airporter, Inc. dba Bremerton-Kitsap Airporter, Kitsap Airporter and Ft. Lewis/McChord Airporter has elected to invoke the provisions of WAC 480-30-420 and implement FLEXIBLE FARES. A filing has been submitted to the Washington Utilities and Transportation Commission to apply the new rule change to our existing approved fares and have requested the change be effective November 11, 2013.
