**NOTICE DENYING APPLICATION FOR MITIGATION**

RE: Airport Transporter Association LLC, Application for Mitigation of Penalty Assessment, Docket TE-140035

TO ALL PARTIES:

On January 13, 2014, the Washington Utilities and Transportation Commission (Commission) issued a penalty assessment against Airport Transporter Association LLC (Airport Transporter or Company) in the amount of \$1,000 alleging 10 violations of WAC 480-30-221, Vehicle and driver safety requirements, which requires passenger transportation companies to comply with Title 49, Code of Federal Regulations, including Part 383 –Commercial Driver’s License Standards, Requirements and Penalties, and with out-of-service orders.

On January 31, 2014, Airport Transporter filed a request for mitigation on the form provided by the Commission. Airport Transporter circled the box on that form indicating that the Company admits that one or more of the violations occurred for which penalties were assessed and that it believes that the penalty should be reduced.

The form however, conditions the application for mitigation on Airport Transporter providing a written statement of the reasons the Company believes the alleged penalty should be reduced. Airport Transporter did not provide any information or reasons supporting its request. Accordingly, the Company has failed to state any grounds for mitigation.

**THE COMMISSION GIVES NOTICE That Airport Transporter's application for mitigation is denied.**

**THE COMMISSION GIVES FURTHER NOTICE That Docket TE-140035 is closed.**
