**RE: Wahkiakum County Comprehensive Solid Waste Management Plan, Docket
TG-140392**

Dear Mr. Ringen:

The Washington Utilities and Transportation Commission (commission) has completed its review of the preliminary draft of the Wahkiakum County Comprehensive Solid Waste Management Plan Update (Plan).

The 2013-2018 Plan does not propose to increase the current tip fee of \$140 per ton. Therefore, commission staff (staff) finds no financial rate impact to ratepayers served by regulated solid waste collection companies in Wahkiakum County.

Staff has no further comment on the Plan.

Please direct questions or comments about the commission's plan review process to Penny Ingram at (360) 664-1242 or pingram@utc.wa.gov.

Sincerely,

Steven V. King
Executive Director and Secretary
