RE: *Washington Utilities and Transportation Commission v. Interstate Telecommunications, Inc.*

Commission Staff's Response to Application for Mitigation of Penalties UT-140894

Dear Mr. King:

On May 30, 2014, the Utilities and Transportation Commission issued a \$1,000 Penalty Assessment in Docket UT-140894 against Interstate Telecommunications, Inc. for 10 violations of Washington Administrative Code (WAC) 480-120-382, which requires water companies to furnish annual reports to the commission no later than May 1 each year.¹

On June 4, 2014, Interstate Telecommunications, Inc. wrote the commission requesting mitigation of penalties (Mitigation Request).² In its Mitigation Request, Interstate Telecommunications, Inc. does not dispute that the violation occurred. The company states, "We mailed our report on April 28th or 29th, 2014. During the week of May 5th we received our letter back from the US Postal Service marked undeliverable. No stamp in terms of missing postage, incorrect address. We then sent the report back to by federal express with a note of apology. Though probably immaterial, I believe our history will show us with constant and timely reports."

It is the company's responsibility to ensure that the regulatory fee is paid and the annual report is filed by the May 1 deadline. On February 28, 2014, Annual Report packets were mailed to all regulated telecommunication companies. The instructions for annual report completion page of the annual report informed the regulated company that it must complete the annual report form, pay the regulatory fees, and return the materials by May 1, 2014, to avoid enforcement action.

On May 19, 2014, Interstate Telecommunications, Inc. filed its annual report with no regulatory fees due. The company has been active since June 8, 1994. No prior violations of WAC 480-120-382 are on commission record. Staff supports the company's request for mitigation as this is the first delinquent annual report filing. Staff recommends a reduced penalty assessment of \$200.

If you have any questions regarding this recommendation, please contact Amy Andrews, Regulatory Analyst, at (360) 664-1157, or aandrews@utc.wa.gov.

Sincerely,

Sondra Walsh, Director
Administrative Services

NOTICE OF PENALTIES INCURRED AND DUE FOR VIOLATIONS OF LAWS AND RULES

PENALTY ASSESSMENT: UT-140894
PENALTY AMOUNT: \$1,000

Interstate Telecommunications
1385 Weber Industrial Drive
Cumming, GA 30041

According to Washington Utilities and Transportation Commission (Commission) records, you have violated Washington Administrative Code (WAC) 480-120-382, which requires telecommunications companies to file their annual reports and pay regulatory fees each year by May 1. You did not file an annual report or pay regulatory fees by May 1, 2014.

Revised Code of Washington (RCW) 80.04.080 authorizes the Commission to assess penalties of \$100 for violations of Commission rules. Each violation is a separate and distinct offense and, in the case of a continuing violation, every day's continuance is a separate and distinct violation. The Commission interprets noncompliance with WAC 480-120-382 beyond May 1 as a continuing violation, and assesses penalties of \$100 for each day a company fails to file its report or pay its regulatory fees after that date.

As a result, the Commission has assessed penalties against you in the amount of \$1,000 on the following basis:

On February 28, 2014, the Commission mailed the 2013 annual report forms and the 2014 regulatory fee packets to all telecommunications companies registered in Washington. The instructions page for the annual report form instructed these companies to file annual reports and pay regulatory fees by May 1, 2014. The instructions page also stated that failure to file the annual report by May 1 would result in penalties. The deadline for requesting an extension to file your annual report was April 17. You did not request an extension.

As of May 15, 2014, Interstate Telecommunications has not filed its 2013 annual report or paid its 2014 regulatory fee. May 15 is 10 business days from May 1, resulting in a total penalty of \$1,000.

Your penalty is due and payable now. If you believe the violation did not occur, you may request a hearing to contest the penalty assessment. The Commission will grant that request only if material issues of law or fact require consideration of evidence and resolution in a hearing. A request for a hearing must include a written statement of the reasons supporting that request.

¹See attachment A for a copy of the penalty assessment sent on May 30, 2014

²See attachment B for a copy of Interstate Telecommunication's Mitigation Request received on June 4, 2014

Failure to provide such a statement will result in denial of the request. If there is a reason for the violation that you think should excuse or reduce the penalty, you may ask for mitigation (reduction) of this penalty through evidence presented at a hearing or in writing. A request for mitigation must include a written statement of the reasons supporting that request. Failure to provide such a statement will result in denial of the request. See RCW80.04.405.

If you properly present your request for a hearing and the Commission grants that request, the Commission will review the evidence supporting your dispute of the violation or application for mitigation in a Brief Adjudicative Proceeding, before an administrative law judge. The administrative law judge will consider the evidence and will notify you of his or her decision.

You must act within 15 days after receiving this notice to do one of the following:

- Pay the amount due.
- Request a hearing to contest the occurrence of the violations.
- Request mitigation to contest the amount of the penalty.

Please indicate your selection on the enclosed form and send it to the Washington Utilities and Transportation Commission, Post Office Box 47250, Olympia, Washington 98504-7250, **within FIFTEEN (15) days** after you receive this notice.

If you do not act within 15 days, the Commission may refer this matter to the Office of the Attorney General for collection, which may file suit in state court to collect the penalty. The Commission may also initiate proceedings under WAC 480-121-060 to revoke your authority to provide telecommunications services in Washington.

DATED at Olympia, Washington, and effective May 30, 2014.

GREGORY J. KOPTA
Administrative Law Judge

RE: 2013 Annual Report – Interstate Telecommunications, Inc.
Penalty Assessment: UT-140894

Request for Mitigation

Please accept this as our request for a waiver for a reduction or hopefully elimination of our \$ 1,000 fine for late filing of our annual report.

1. We mailed our report on April 28th or 29th, 2014. During the week of May 5th we received our letter back from the US Postal service marked undeliverable. No stamp in terms of missing postage, incorrect address. We then sent the report back to by federal express with a note of apology.
2. Though probably immaterial, I believe your history will show us with constant and timely reports. We only have a handful of public payphones left in Washington and this fine will cost us ALL of 2013, 2014, 2015 and probably our 2016 profits from these payphones.

Again, we apologize for our lateness on this report and hope you can grant us mitigation.

To be safe, we are also sending this request federal express to be certain your receive timely.

Respectfully,

Frank T. Zimmerer
President
