RE: *Washington Utilities and Transportation Commission v. Telecom North America, Inc.*

Commission Staff's Response to Application for Mitigation of Penalties UT-140918

Dear Mr. King:

On June 2, 2014, the Utilities and Transportation Commission issued a \$200 Penalty Assessment in Docket UT-1404918 against Telecom North America, Inc. for 2 violations of Washington Administrative Code (WAC) 480-120-382, which requires telecommunications companies to furnish annual reports to the commission no later than May 1 each year.<sup>1</sup>

On June 30, 2014, Telecom North America, Inc. wrote the commission requesting mitigation of penalties (Mitigation Request).<sup>2</sup> In its Mitigation Request Telecom North America, Inc. does not dispute that the violation occurred. The company states, "I had my task setup to be completed by May 1<sup>st</sup> of every year. It was an oversight that I only postmarked by May 1<sup>st</sup> and not received as the previous years we always filed our report ahead of time. This year I made a note that the annual report has to be received by May 1<sup>st</sup> and I set my task reminder 2 week earlier than that. Please let me know if the penalty can be removed as we always filed our reports on time and we are in good standing."

It is the company's responsibility to ensure that the regulatory fee is paid and the annual report is filed by the May 1 deadline. On February 28, 2014, Annual Report packets were mailed to all regulated telecommunication companies. The instructions for annual report completion page of the annual report informed the regulated company that it must complete the annual report form, pay the regulatory fees, and return the materials by May 1, 2014, to avoid enforcement action.

On May 5, 2014 Telecom North America, Inc. filed its completed annual report with no regulatory fees due. The company has been active since September 6, 2002. No previous violations of WAC 480-120-382 are on commission record. Staff does not support the company's request to waive the penalty. However, as this is the first delinquent filing for Telecom North America, Inc., staff does support mitigation of the penalty to \$25 per day for a total assessed penalty of \$50.

If you have any questions regarding this recommendation, please contact Amy Andrews, Regulatory Analyst, at (360) 664-1157, or [aandrews@utc.wa.gov](mailto:aandrews@utc.wa.gov).

Sincerely,

Sondra Walsh, Director  
Administrative Services

### WASHINGTON UTILITIES AND TRANSPORTATION COMMISSION

#### NOTICE OF PENALTIES INCURRED AND DUE FOR VIOLATIONS OF LAWS AND RULES

PENALTY ASSESSMENT: UT-140918  
PENALTY AMOUNT: \$200

Telecom North America  
2654 W. Horizon Ridge Pkwy, Suite B5-143  
Henderson, NV 89052

According to Washington Utilities and Transportation Commission (Commission) records, you have violated Washington Administrative Code (WAC) 480-120-382, which requires telecommunications companies to file their annual reports and pay regulatory fees each year by May 1. You did not file an annual report or pay regulatory fees by May 1, 2014.

Revised Code of Washington (RCW) 80.04.080 authorizes the Commission to assess penalties of \$100 for violations of Commission rules. Each violation is a separate and distinct offense and, in the case of a continuing violation, every day's continuance is a separate and distinct violation. The Commission interprets noncompliance with WAC 480-120-382 beyond May 1 as a continuing violation, and assesses penalties of \$100 for each day a company fails to file its report or pay its regulatory fees after that date.

As a result, the Commission has assessed penalties against you in the amount of \$200 on the following basis:

On February 28, 2014, the Commission mailed the 2013 annual report forms and the 2014 regulatory fee packets to all telecommunications companies registered in Washington. The instructions page for the annual report form instructed these companies to file annual reports and pay regulatory fees by May 1, 2014. The instructions page also stated that failure to file the annual report by May 1 would result in penalties. The deadline for requesting an extension to file your annual report was April 17. You did not request an extension.

On May 5, 2014, Telecom North America filed its 2013 annual report and paid its 2014 regulatory fee. May 5 is 2 business days from May 1, resulting in a total penalty of \$200.

Your penalty is due and payable now. If you believe the violation did not occur, you may request a hearing to contest the penalty assessment. The Commission will grant that request only if material issues of law or fact require consideration of evidence and resolution in a hearing. A request for a hearing must include a written statement of the reasons supporting that request.

<sup>1</sup>See attachment A for a copy of the penalty assessment sent on June 2, 2014

<sup>2</sup>See attachment B for a copy of Telecom North America's Mitigation Request received on June 30, 2014

Failure to provide such a statement will result in denial of the request. If there is a reason for the violation that you think should excuse or reduce the penalty, you may ask for mitigation (reduction) of this penalty through evidence presented at a hearing or in writing. A request for mitigation must include a written statement of the reasons supporting that request. Failure to provide such a statement will result in denial of the request. See RCW80.04.405.

If you properly present your request for a hearing and the Commission grants that request, the Commission will review the evidence supporting your dispute of the violation or application for mitigation in a Brief Adjudicative Proceeding, before an administrative law judge. The administrative law judge will consider the evidence and will notify you of his or her decision.

**You must act within 15 days after receiving this notice** to do one of the following:

- Pay the amount due.
- Request a hearing to contest the occurrence of the violations.
- Request mitigation to contest the amount of the penalty.

Please indicate your selection on the enclosed form and send it to the Washington Utilities and Transportation Commission, Post Office Box 47250, Olympia, Washington 98504-7250, **within FIFTEEN (15) days** after you receive this notice.

**If you do not act within 15 days**, the Commission may refer this matter to the Office of the Attorney General for collection, which may file suit in state court to collect the penalty. The Commission may also initiate proceedings under WAC 480-121-060 to revoke your authority to provide telecommunications services in Washington.

DATED at Olympia, Washington, and effective June 2, 2014.

---

Dear Amy,

We would like to request the WA UTC to please remove the penalty assessed for 200\$ for our annual report being 2 days late.
