RE: *Washington Utilities and Transportation Commission v. Teltrust Corporation*

Commission Staff's Response to Application for Mitigation of Penalties UT-140924

Dear Mr. King:

On June 3, 2014, the Utilities and Transportation Commission issued a \$1,000 Penalty Assessment in Docket UT-140924 against Teltrust Corporation for 10 violations of Washington Administrative Code (WAC) 480-120-382, which requires telecommunications companies to furnish annual reports to the commission no later than May 1 each year.¹

On June 9, 2014, Teltrust Corporation wrote the commission requesting mitigation of penalties (Mitigation Request).² In its Mitigation Request, Teltrust Corporation, Inc. does not dispute that the violation occurred. The company states, "It was mailed and returned due to no postage on the envelope."

It is the company's responsibility to ensure that the regulatory fee is paid and the annual report is filed by the May 1 deadline. On February 28, 2014, Annual Report packets were mailed to all regulated telecommunication companies. The instructions for annual report completion page of the annual report informed the regulated company that it must complete the annual report form, pay the regulatory fees, and return the materials by May 1, 2014, to avoid enforcement action.

On June 9, 2014 Teltrust Corporation filed an incomplete annual report with no payment of regulatory fees received. The company was notified of the incomplete status on June 10, 2014 via email.³ As of the date of this notice, the company has not responded with the required information. The company has been active since July 21, 2009. Teltrust Corporation previously missed the deadline for filing its annual report and paying its regulatory fees in 2010. Due to the

NOTICE OF PENALTIES INCURRED AND DUE FOR VIOLATIONS OF LAWS AND RULES

PENALTY ASSESSMENT: UT-140924
PENALTY AMOUNT: \$1,000

Teltrust Corporation

Salt Lake City, UT 84115

According to Washington Utilities and Transportation Commission (Commission) records, you have violated Washington Administrative Code (WAC) 480-120-382, which requires telecommunications companies to file their annual reports and pay regulatory fees each year by May 1. You did not file an annual report or pay regulatory fees by May 1, 2014.

Revised Code of Washington (RCW) 80.04.080 authorizes the Commission to assess penalties of \$100 for violations of Commission rules. Each violation is a separate and distinct offense and, in the case of a continuing violation, every day's continuance is a separate and distinct violation. The Commission interprets noncompliance with WAC 480-120-382 beyond May 1 as a continuing violation, and assesses penalties of \$100 for each day a company fails to file its report or pay its regulatory fees after that date.

As a result, the Commission has assessed penalties against you in the amount of \$1,000 on the following basis:

On February 28, 2014, the Commission mailed the 2013 annual report forms and the 2014 regulatory fee packets to all telecommunications companies registered in Washington. The instructions page for the annual report form instructed these companies to file annual reports and pay regulatory fees by May 1, 2014. The instructions page also stated that failure to file the annual report by May 1 would result in penalties. The deadline for requesting an extension to file your annual report was April 17. You did not request an extension.

As of May 15, 2014, Teltrust Corporation has not filed its 2013 annual report or paid its 2014 regulatory fee. May 15 is 10 business days from May 1, resulting in a total penalty of \$1,000.

Your penalty is due and payable now. If you believe the violation did not occur, you may request a hearing to contest the penalty assessment. The Commission will grant that request only if material issues of law or fact require consideration of evidence and resolution in a hearing. A request for a hearing must include a written statement of the reasons supporting that request.

¹See attachment A for a copy of the penalty assessment sent on June 3, 2014

²See attachment B for a copy of Teltrust's Mitigation Request received on June 9, 2014

³See attachment C for a copy of the incomplete report notification sent via email on June 10, 2014

Failure to provide such a statement will result in denial of the request. If there is a reason for the violation that you think should excuse or reduce the penalty, you may ask for mitigation (reduction) of this penalty through evidence presented at a hearing or in writing. A request for mitigation must include a written statement of the reasons supporting that request. Failure to provide such a statement will result in denial of the request. See RCW80.04.405.

If you properly present your request for a hearing and the Commission grants that request, the Commission will review the evidence supporting your dispute of the violation or application for mitigation in a Brief Adjudicative Proceeding, before an administrative law judge. The administrative law judge will consider the evidence and will notify you of his or her decision.

You must act within 15 days after receiving this notice to do one of the following:

- Pay the amount due.
- Request a hearing to contest the occurrence of the violations.
- Request mitigation to contest the amount of the penalty.

Please indicate your selection on the enclosed form and send it to the Washington Utilities and Transportation Commission, Post Office Box 47250, Olympia, Washington 98504-7250, **within FIFTEEN (15) days** after you receive this notice.

If you do not act within 15 days, the Commission may refer this matter to the Office of the Attorney General for collection, which may file suit in state court to collect the penalty. The Commission may also initiate proceedings under WAC 480-121-060 to revoke your authority to provide telecommunications services in Washington.

DATED at Olympia, Washington, and effective June 3, 2014.

DENNIS J. MOSS
Administrative Law Judge
