RE: *Washington Utilities and Transportation Commission v. MOL Logistics (USA) Inc.*

Commission Staff's Response to Application for Mitigation of Penalties TV-140969

Dear Mr. King:

On June 5, 2014, the Utilities and Transportation Commission issued a \$1,000 Penalty Assessment in Docket TV-140969 against MOL Logistics (USA) Inc. for 10 violations of Washington Administrative Code (WAC) 480-15-480, which requires household goods carrier companies to furnish annual reports to the commission no later than May 1 each year.¹

On June 9, 2014, MOL Logistics (USA) Inc. wrote the commission requesting mitigation of penalties (Mitigation Request).² In its Mitigation Request, MOL Logistics (USA) Inc. does not dispute that the violation occurred. The company states, "As part of our day to day business practices, we do not engage in intrastate household goods deliveries." The company also requested to voluntarily terminate its household goods operating permit.

It is the company's responsibility to ensure that the regulatory fee is paid and the annual report is filed by the May 1 deadline. On February 28, 2014, Annual Report packets were mailed to all regulated household goods companies. The instructions for annual report completion page of the annual report informed the regulated company that it must complete the annual report form, pay the regulatory fees, and return the materials by May 1, 2014, to avoid enforcement action.

On June 9, 2014, MOL Logistics (USA) Inc. filed the 2013 annual report with no regulatory fees due. The company's household goods permit was canceled per Docket TV-141265. No previous violations of WAC 480-15-480 are on commission record. Staff supports the

company's request for mitigation as this is the company's first delinquent filing. Staff recommends to waive the penalty as the company provided no household goods services during 2013 and has voluntarily canceled their permit.

If you have any questions regarding this recommendation, please contact Amy Andrews, Regulatory Analyst, at (360) 664-1157, or aandrews@utc.wa.gov.

Sincerely,

Sondra Walsh, Director
Administrative Services

NOTICE OF PENALTIES INCURRED AND DUE FOR VIOLATIONS OF LAWS AND RULES

PENALTY ASSESSMENT: TV-140969
PENALTY AMOUNT: \$1,000

MOL Logistics (USA) Inc.
19240 Des Moines Memorial Dr. S. Suite 600
Seatac, WA 98148

According to Washington Utilities and Transportation Commission (Commission) records, you have violated Washington Administrative Code (WAC) 480-15-480, which requires household goods carrier companies to file their annual reports and pay regulatory fees each year by May 1. You did not file an annual report or pay regulatory fees by May 1, 2014.

Revised Code of Washington (RCW) 81.04.080 authorizes the Commission to assess penalties of \$100 for violations of Commission rules. Each violation is a separate and distinct offense and, in the case of a continuing violation, every day's continuance is a separate and distinct violation. The Commission interprets noncompliance with WAC 480-15-480 beyond May 1 as a continuing violation, and assesses penalties of \$100 for each day a company fails to file its report or pay its regulatory fees after that date.

As a result, the Commission has assessed penalties against you in the amount of \$1,000 on the following basis:

On February 28, 2014, the Commission mailed the 2013 annual report forms and the 2014 regulatory fee packets to all household goods carrier companies registered in Washington. The instructions page for the annual report form instructed these companies to file annual reports and pay regulatory fees by May 1, 2014. The instructions page also stated that failure to file the annual report by May 1 would result in penalties. The deadline for requesting an extension to file your annual report was April 17. You did not request an extension.

As of May 15, 2014, MOL Logistics (USE) Inc. has not filed its 2013 annual report or paid its 2014 regulatory fee. May 15 is 10 business days from May 1, resulting in a total penalty of \$1,000.

Your penalty is due and payable now. If you believe the violation did not occur, you may request a hearing to contest the penalty assessment. The Commission will grant that request only if material issues of law or fact require consideration of evidence and resolution in a hearing. A request for a hearing must include a written statement of the reasons supporting that request.

¹See attachment A for a copy of the penalty assessment sent on June 5, 2014

²See attachment B for a copy of MOL Logistic's Mitigation Request received on June 9, 2014

Failure to provide such a statement will result in denial of the request. If there is a reason for the violation that you think should excuse or reduce the penalty, you may ask for mitigation (reduction) of this penalty through evidence presented at a hearing or in writing. A request for mitigation must include a written statement of the reasons supporting that request. Failure to provide such a statement will result in denial of the request. See RCW81.04.405.

If you properly present your request for a hearing and the Commission grants that request, the Commission will review the evidence supporting your dispute of the violation or application for mitigation in a Brief Adjudicative Proceeding, before an administrative law judge. The administrative law judge will consider the evidence and will notify you of his or her decision.

You must act within 15 days after receiving this notice to do one of the following:

- Pay the amount due.
- Request a hearing to contest the occurrence of the violations.
- Request mitigation to contest the amount of the penalty.

Please indicate your selection on the enclosed form and send it to the Washington Utilities and Transportation Commission, Post Office Box 47250, Olympia, Washington 98504-7250, **within FIFTEEN (15) days** after you receive this notice.

If you do not act within 15 days, the Commission may refer this matter to the Office of the Attorney General for collection, which may file suit in state court to collect the penalty. The Commission may also initiate proceedings under WAC 480-15-450 to cancel your permit to operate as a household goods carrier in Washington.

DATED at Olympia, Washington, and effective June 5, 2014.

MARGUERITE E. FRIEDLANDER
Administrative Law Judge

Amy Andrews
Washington Utilities and Transportation Commission
P.O. Box 47250
Olympia, WA 98504-7250

Dear Ms. Andrews:

This letter is a continuation of email correspondence between your office and MOL Logistics regarding Household Goods Carriers 2013 Annual Report.

We have diligently checked our company files. But to this point, we have no record of having received any prior Household Goods Carriers 2013 Annual Report.

As part of our day to day business practices, we do not engage in intrastate household goods deliveries. All household goods delivery for which MOL provides service originate from, or are destined to, overseas locations. During 2013, MOL Logistics did not derive any income from intrastate household goods deliveries.

Please accept this letter as a request for mitigation of any potential fine for failing to file the required 2013 Household Goods Carriers 2013 Annual Report. Of the two mitigation options available, we elect the administrative review. Enclosed, please find supporting documentation in support of our position for an administrative review. MOL Logistics requests any proposed penalty be waived. Or, if this is not possible, we are asking for a reduction on the penalty. And since we do not engage intrastate household good deliveries, please terminate our permit.

Thank you for your time in reviewing this matter.

Very truly yours,

Hideki Yashiro
