RE: *Washington Utilities and Transportation Commission v. ALCLS, LLC*

Commission Staff's Response to Application for Mitigation of Penalties TE-141049

Dear Mr. King:

On May 23, 2014, the Utilities and Transportation Commission issued a \$1,000 Penalty Assessment in Docket TE-141049 against ALCLS, LLC for 10 violations of Washington Administrative Code (WAC) 480-30-071, which requires charter and excursion carriers to furnish annual reports to the commission no later than May 1 each year.<sup>1</sup>

On May 30, 2014, ALCLS, LLC wrote the commission requesting mitigation of penalties (Mitigation Request).<sup>2</sup> In its Mitigation Request, ALCLS, LLC does not dispute that the violation occurred. The company states, "Please do not charge me the penalty. I did not receive this report form in the mail. I only have one hummer limo – I can't afford \$1,000. It will put me out of business".

It is the company's responsibility to ensure that the regulatory fee is paid and the annual report is filed by the May 1 deadline. On February 28, 2014, Annual Report packets were mailed to all regulated charter and excursion companies. The instructions for annual report completion page of the annual report informed the regulated company that it must complete the annual report form, pay the regulatory fees, and return the materials by May 1, 2014, to avoid enforcement action.

On May 30, 2014, ALCLS, LLC filed the 2013 annual report and timely paid the required regulatory fees on December 16, 2013. The company permit was issued on June 28, 2004. No previous violations of WAC 480-30-071 are on commission record. The UTC also recently adopted new rules requiring the annual report to be filed by May 1 while the regulatory fees remained due on December 31. Despite the commission communication regarding these filing changes to all regulated charter and excursion companies, commission staff supports the company's request for mitigation. Staff recommends a reduced penalty assessment of \$200.

If you have any questions regarding this recommendation, please contact Amy Andrews, Regulatory Analyst, at (360) 664-1157, or [aandrews@utc.wa.gov](mailto:aandrews@utc.wa.gov).

Sincerely,

Sondra Walsh, Director  
Administrative Services

FOR VIOLATIONS OF LAWS AND RULES**

PENALTY ASSESSMENT: TE-141049

PENALTY AMOUNT: \$1,000

According to Washington Utilities and Transportation Commission (Commission) records, you have violated Washington Administrative Code (WAC) 480-30-071, which requires charter and excursion carriers to file their annual reports. You did not file an annual report by May 1, 2014.

Revised Code of Washington (RCW) 81.04.080 authorizes the Commission to assess penalties of \$100 for violations of Commission rules. Each violation is a separate and distinct offense and, in the case of a continuing violation, every day's continuance is a separate and distinct violation. The Commission interprets noncompliance with WAC 480-30-071 beyond May 1 as a continuing violation, and assesses penalties of \$100 for each day a company fails to file its report after that date.

As a result, the Commission has assessed penalties against you in the amount of \$1,000 on the following basis:

On February 28, 2014, the Commission mailed the 2013 annual report forms and the 2014 regulatory fee packets to all charter and excursion carriers registered in Washington. The instructions page for the annual report form instructed these companies to file annual reports by May 1, 2014. The instructions page also stated that failure to file the annual report by May 1 would result in penalties. The deadline for requesting an extension to file your annual report was April 17. You did not request an extension.

As of May 15, 2014, ALCLS, LLC has not filed its 2013 annual report. May 15 is 10 business days from May 1, resulting in a total penalty of \$1,000.

Your penalty is due and payable now. If you believe the violation did not occur, you may request a hearing to contest the penalty assessment. The Commission will grant that request only if material issues of law or fact require consideration of evidence and resolution in a hearing. A request for a hearing must include a written statement of the reasons supporting that request. Failure to provide such a statement will result in denial of the request. If there is a reason for the violation that you think should excuse or reduce the penalty, you may ask for mitigation
