Tina, per the email below, please dismiss the application for adding a trade name for TuxRide, LLC. Mr. Prigmore's wording is not exactly accurate, but it will suffice. I spoke on the phone with him just before he sent the email and I am sure of his intentions. He plans on continuing to run the weed bus but only within Seattle City limits, thus exempting that service from UTC regulation. Thanks.

William, I will add this information to your current charter permit. When we talked last week you mentioned that you may want to withdraw the "add a trade name" application we have pending for you. That application will add the "The Weed Bus" to your current charter certificate.

Do you want to withdraw that application? I believe we have what we need from you to process that application. So, if you want to withdraw that application, please let me know in writing of your intent. You can do so by responding to this email or you can send something else in, as long as you notify us in writing. Thanks.
