RE: Rates

Dear Paul,

The solid waste disposal rate to be effective January 1, 2015 will be as follows:

All Solid Waste will be \$98.74 per ton (base rate of \$87.77 per ton plus 12.5% Ferndale Refuse Tax). This rate will be adjusted to include tax rate increases, if applicable.

Since City of Ferndale Packer Solid Waste is exempt from the Ferndale Refuse Tax, the rate will be \$87.77 per ton.

All recycle rates, which includes roofing, construction recycle and LEED materials, wood, clean green, yard waste, and concrete, will remain the same.

Please do not hesitate to contact me if you have any questions.

Respectfully,
