Good Afternoon Mike,

The project or opportunity the Port of Centralia had been working on - which would have had the need for the new crossing over Galvin Road fell through.

The crossing is no longer needed.

Thanks,

Larry Sorensen

Larry,

On January 9, 2015, the Puget Sound and Pacific Railroad filed a petition with the UTC for a new crossing of Galvin Road in Centralia for a new spur serving the Centralia Logistics Center. The UTC issued an order on February 15, 2015 approving construction of the new crossing.

What is the status of this project?

Thank you,
Mike.
