Re: UG-150762 Cascade Natural Gas Updates Depreciation Rates

Dear Mr. King;

Cascade Natural Gas Corporation (Company) submits the attached update to its Depreciation Study that was previously filed on May 8, 2015, in Docket No. UG-150762. This update is a result of the investigation of the Company's depreciation rates as filed with the Public Utility Commission of Oregon on April 30, 2015, in Docket Number UM 1727. As all issues with the Company's Study were resolved in the Oregon proceeding, the Company now submits the same depreciation rates in Washington for consistency throughout its service territory.

If you have any questions regarding this filing, please contact me at (509) 734-4593.

Sincerely,

A handwritten signature in blue ink, appearing to read "Michael Parvinen", with a long horizontal flourish extending to the right.

Michael Parvinen
