Re: 2014 Regulatory Fee Penalty Assessments

Please find enclosed the 2014 annual reports and regulatory fees for CC-24108 and CC-381. We are requesting relief of any penalty assessments associated with these reports due to the reasons explained below. I believe you will find that over many years, these reports were filed and paid promptly and timely as required.

Effective 12:00 A.M. January 1, 2015 all assets were sold and transferred from Morgan Transfer, Inc. to Western Transfer of Washington, LLC and from A & E, Inc. to Pacific Relocation Services of Washington, LLC. The WUTC authorities were subsequently transferred as well in the following weeks as they were included in the sale of the assets.

Mike Michael is the 100% stockholder in both Morgan Transfer, Inc. and A&E, Inc. Jacob Alden is the 100% stockholder in both Western Transfer of Washington, LLC and Pacific Relocation Services of Washington, LLC.

As of the time and date of transfer, Morgan Transfer, Inc. and A&E, Inc. ceased doing business. Prior to the date and time of closing neither Western Transfer of Washington, LLC or Pacific Relocation Services of Washington, LLC engaged in any business.

As Morgan Transfer, Inc. and A&E, Inc. were no longer in business, I was not aware that the annual report was to be filed. As Western Transfer of Washington, LLC or Pacific Relocation Services of Washington, LLC did no business in 2014 we were also unaware that either of those entities would be required to file any reports.

After calling and speaking with Amy at the WUTC I learned that the reports are tied to the WUTC common carrier numbers rather than the businesses themselves. As such, I have prepared these reports today and delivered them to the WUTC offices.

Sincerely,

Mike Michael,
President, Morgan Transfer, Inc. / A&E, Inc.
