RE: Removing Washington Telephone Assistance Program language for Ellensburg Telephone Company d/b/a FairPoint Communications

Dear Mr. King:

On July 17, 2015, Ellensburg Telephone Company d/b/a FairPoint Communications filed tariff pages to remove WTAP language from the company's tariff. The effective date of the change is September 1, 2015. At that time FairPoint failed to include the following tariff page, which should also be a part of this filing.

Index Page, Second Revised Sheet 2

This filing removes Washington Telephone Assistance Program (WTAP) language from the Company's tariff. Please also note that we are removing Tribal language as it is not appropriate for our service area. We have no tribal areas in the Ellensburg Telephone Company's service area.

Please contact Beth Westman at 207.535.4249 or bwestman@fairpoint.com with any questions or concerns regarding this filing.

Sincerely,

Patrick L. Morse
