Re: Scenic Shores Water Company - Third Revision of Sheet No. 21 Canceling
Second Revision of Sheet No. 21 - **Confidential Material Enclosed**

Dear Mr. King:

Enclosed you will find the above-referenced tariff sheet filed on behalf of Scenic Shores Water Company (the "Company"). This tariff filing is a general increase to the Company's rates. The filing reflects the increased costs of operation faced by the Company.

The base rate for customer service will increase by \$7.00 per month from \$46.75 to \$53.75. The filing also creates a third rate block to address high consumption for all customers. The rate for the third rate block is \$0.0305 per cubic foot.

The proposed increase would produce an overall revenue increase of \$3,024 which is 8.7% in overall revenue. No increase in revenue is projected for the third usage block since the effect of conservation cannot be projected accurately.

The material required by WAC 480-07-530(4) (work papers) are enclosed. This includes, but is not limited to, a results of operations statement, usage statistics and depreciation schedule. Please note this filing also contains confidential information.

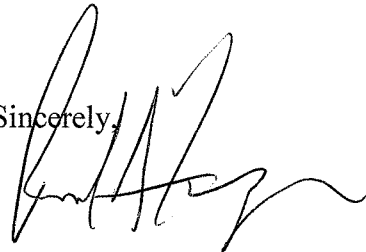

A copy of the customer notice is attached. The customer notice sets out the percentage change for the rate increase.

Sincerely,
