**Re: Sprint Corporation, Virgin Mobile USA, L.P. (Assurance Wireless) and i-wireless, LLC Notification Regarding the Termination of Their Proposed Wireless Lifeline Services Partnership and Related Transaction (UT-161070)**

Dear Mr. King:

On or about September 12, 2016, Sprint Corporation (“Sprint”), Virgin Mobile USA, L.P., d/b/a Assurance Wireless (“Virgin Mobile” or “Company”), and i-wireless, LLC (“i-wireless”) (collectively, “the Parties”), notified the Washington Utilities and Transportation Commission (“Commission”) that they agreed to form a joint venture involving the transfer of majority control of i-wireless to Sprint, and the transfer of Assurance Wireless Lifeline customer accounts served by Sprint’s eligible telecommunications carrier (“ETC”) subsidiary, Virgin Mobile, to i-wireless. The purpose of this letter is to inform you that on April 24, 2017, the Parties mutually agreed to terminate the above-described transaction.

There will be no customer impact associated with the termination of the transaction. Because the transaction had not closed prior to its termination, none of the material actions described in the Parties’ prior transaction notice letter, such as the transfer of Virgin Mobile customers, had taken place. The Parties’ respective Lifeline products will continue as currently offered to their Lifeline customers, and the Parties’ respective Lifeline customers will continue to receive the same high-quality Lifeline service as they did prior to the termination of the transaction.

Thank you for your assistance, and please contact us if you should have any questions regarding this matter.
