Re: TV-161279– Granting Temporary Household Goods Authority, Subject to Conditions,
Pending Decision on Permanent Authority - THG067469

Dear RELO6 LLC:

On December 14, 2016, RELO6 LLC, d/b/a Two Men and a Truck, filed an application with the Washington Utilities and Transportation Commission (Commission) to provide residential household goods transportation services in the state of Washington. The Commission provisionally grants your application. RELO6 LLC is now authorized to operate on a **temporary** basis.

The Commission will evaluate whether RELO6 LLC qualifies for permanent authority. To qualify for permanent authority, your company must satisfy the following requirements:

1. Operate for at least six months.
2. Personnel responsible for company management and operations must attend a Commission-sponsored training class to learn about the consumer protection rules, safety regulations, and industry-wide tariff provisions that apply to your business. You must sign up for training on the commission's website at www.utc.wa.gov/hhgtraining. Click on the "Online Registration Form" and complete the required fields.
3. Allow the Commission to review your business operations and records. Commission staff will review records and inspect vehicle(s), and you must receive a satisfactory safety rating as a result of that review.
4. Complete a criminal background check on each person RELO6 LLC employs or intends to employ. The Commission will not grant permanent authority if any company employee has been convicted of any crime within the past five years involving theft, burglary, assault, sexual misconduct, identity theft, fraud, false statements, or the manufacture, sale, or distribution of a controlled substance. Even if a conviction for any of these

offenses is more than five years old, the Commission will not grant permanent authority if it determines that the nature or extent of the crime(s) will likely interfere with the proper operation of a household goods moving company.

5. Pay any outstanding monetary penalty or fee owed to the Commission.
6. Resolve all consumer complaints pending with the Commission.

Enclosed with this letter are copies of RELO6 LLC's provisional permit, Tariff 15-C, and the Commission rules governing residential household goods carriers. Please review these documents carefully. The Commission may cancel your provisional authority if you violate any applicable state law, Commission rule, or tariff provision.

Also enclosed is a consumer survey to assist the Commission in evaluating RELO6 LLC's application. Please provide a copy of this survey with return postage to each of the company's customers.

If you have any questions, please contact Licensing Services at 360-664-1222 or by email at transportation@utc.wa.gov.

Sincerely,

Suzanne Stillwell
Licensing Services Manager
