To Whom it May Concern;

This correspondence is to request an opportunity to present information for UTC to consider in regards to the penalties assessed for violation concerns in our audit. Please see my responses below;

Violations of WAC 480-15-490 and Tariff 15-C, Item 230(7)

We accept the penalties regarding this violation. We misinterpreted item 230, paragraph 7, section A "at the customers request". We have educated our booking staff and will charge correctly.

Violations of WAC 480-15-710 and Tariff 15-C, Item 230(6)

We accept the penalties regarding this violation. We will correctly charge the minimum tariffed rate.

Violations of WAC 480-15-710 and Tariff 15-C, Item 95

We request further information regarding this penalty as we are unclear as to exactly what the infraction is. There is no alphabet line item referenced in your findings to indicate which specific item we need to address. To our knowledge our bills of lading are filled out completely and correctly. The document we use was given to us directly from the UTC. We added our required identifiable business information to the document.

Violation of WAC 480-15-610(1) and WAC 480-15-390(1)

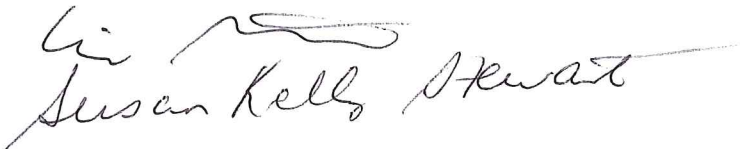

We will accept the penalty associated with this infraction. We are unclear as to what the specific infraction is but am assuming since it was one occurrence it was simply a mistake.

Violation of WAC 480-15-610(1) and WAC 480-15-390(1)

We will accept the penalty and have updated our face book page to reflect our address. We have also contacted our website administrator and requested they update our page to reflect our trade name as recorded with the commission.

Also enclosed please find the signed and dated form required to request the commission further consider the penalties based on our responses. Thank you for your time.
