This Company is Top Rate!!! We rented the 18 seat Limo for my daughters 21st birthday and were truly pampered with excellent service and a fun ride door to door. We rocked out using the on board sound system to blast away songs from everyone's playlist.

My only regret is that I didn't reserve the limo directly with Luxury Limo but instead booked through a 3rd party booking agent which ended up costing me 20% more...Lesson learned!! I won't make that mistake twice the next time I book.

If you have a special occasion which involves a limo, this company is the only way to go!!

Five-star experience from a very customer service-oriented company! I spoke with an actual person who guided me every step of the way, from limo selection to order to pick-up, all without a hitch. Sona communicated every detail throughout the process to ensure our birthdays celebration was a memorable one.

Joseph, our driver, delivered in a big way!!! He arrived well in advance. The cold, rainy day was no match for our toasty-warm Hummer limo. We had control of temperature, night club-style lighting, and best of all, music--all at our fingertips!

It was our first time booking a limo, and of course it was for our wedding. Gary is so great! He was our driver and always on time and very professional. We booked with a gentleman, Sunny (I think that's how you spell, sorry if it's wrong). He is very nice and accommodating. He will make it work! It was a pleasure working with these two. I used Luxury Limo to transport my bridal party in a 14 passenger SUV limo from the getting ready site to the ceremony and back to the reception. I unfortunately cannot remember the name of the driver however he was on time, called me to confirm his arrival and drove safely.

I also communicated with someone from the company leading up to the wedding and decided to book a 6 passenger limo for my husband and I to take to the hotel.

He was timely and even though we were running late he was patient and very polite.

I would recommend Luxury Limousine!

Our driver was 45 minutes late, which made everything else in the day run behind. He did not even apologize for being late or anything. I don't know his name unfortunately but the guy did not say a word! We asked him if he could help setting up the aux cord for us, which he didn't know how to do.

Throughout the whole process, it was really hard to get in contact with some to discuss timeline and locations of the wedding..

I booked the Hummer Limo for our New Years event in Seattle. Our driver, Gary, was very professional, patient, and hospitable. We were supposed to leave at 7:30pm with our group of 18, unfortunately, some people were a little late and we didn't leave until 7:45pm and Gary was very understanding of the situation and did not charge for the extra wait time. The limo was clean, fit everyone comfortably, champagne glasses and cocktail glasses were ready for us, and the sound system was perfect! We were dropped off and we designated a pick up location, which Gary was at precisely where and when he said he would be. I will definitely book with Luxury Limo again!

We used Luxury Limousine for our wedding. We had 6 people, all seated very comfortably in the C300 style. The interior had fun features like starlight ceiling, leopard print cloth, and a bar area with champagne flutes.

The driver was prompt (unlike other town car/limo services here in Seattle), he was 5 minutes early and patiently waited for us. He even made a quick stop to the mini mart so we could buy more drinks at the end of the evening. He made parking a huge limo look effortless.

If you are looking for a limo experience to enhance your special day/evening, this is the one.

Luxury Limo of Seattle is literally the greatest! They've been here for birthday parties, nights out on the town and more! My limo experience was a little tight spaced and squished but no one complained! The driver made it a lot of fun and was willing to go anywhere and stopped when needed! Some people made a mess the first time but the driver was so helpful as to help clean even though that wasn't his job!

I've been out to Seattle myself in a town car with this company and I have never felt more safe or comfortable than ever! This company has most definitely picked me up in times of need no matter what time it was.

This company definitely needs more attention, reviews and high ratings because they deserve it! They are the only company I call when I or my friends need a ride. :)

We used their service for a special family day going to the Lion King with 15 of us. They were on time, car was clean. Their driver got us there with a scenic route because we had extra time. He was there and waiting when the theatre was over, took us to our Italian restaurant, waited for us and took us home. He was very friendly and always on time. I would recommend them.

I have used Luxury Limousine multiple times now & continue to be impressed with the quality of service they provide. From pick-up to drop-off, they have easily been the best limo & town-car service I have dealt with, as their customer service is always on-point. The town-cars I have used in transit to work events have always been pristine, the drivers have been professional, and after I have returned to use their limo services they have always over-delivered. I highly recommend these guys!!

This has been by far one of my greatest experiences with a limo/town car company. I rarely write reviews about my experiences but found Luxury Limo's professionalism and white glove treatment incredibly note worthy. Our driver arrived early, the limo was beautiful, clean and smelled really nice. We were a little bit of a difficult group as the evening wasn't the most organized but the driver remained patient and helpful throughout the entire evening. It could have been very easy for the driver to show his annoyance however he was extremely kind. We ended up running over our scheduled time as well and the driver was happy to stay later as we just adjusted our overall total accordingly. Their prices are the lowest around (trust me, I did my

research) and their customer service is remarkable. I would definitely recommend them!

After doing a some research on limo services I realized that Luxury Limo had the best prices per hour. So I hired their service for a company night out in town. The limo arrived to our location 10 mins before the given time. The service and our driver was very professional. The limo was very clean and comfortable which I have noticed in the past can be a problem. Overall I had a really good experience with their service and would definitely hire them again in the future.
